

Lavant Parish Council – Memorial Policy

Lavant Parish Council supports the principle of allowing memorial benches/picnic tables and/or trees within the parish for those who have demonstrable residential connections, but is mindful that these facilities are enjoyed by a wide range of people. Therefore the Parish Council will ensure that the application of this principle is managed and regulated for the mutual benefit of all.

Benches/Picnic-Tables

The Parish Council is prepared to consider the installation and adoption of benches and picnic-tables made of natural unpainted sustainable hardwood (preferably teak). Dimensions should be no longer than 6ft (1.8m) where the proposed site is on land owned by the Parish Council. The extent of the Council's adoption will be limited to holding the items on the Council's assets register for insurance purposes, and in compliance with any licence requirements of WSCC if applicable.

The Parish Council will not adopt or control benches/picnic-tables sited on private land; in such cases the siting is entirely a matter for negotiation between the donor and the landowner.

The Parish Council can install benches/picnic-tables on some land owned by the Goodwood Estate or WSCC as it is mandated to control such land by agreement with these two bodies e.g. part of the Village Green, and Centurion Way.

Trees

The Parish Council is prepared to consider the installation and adoption of memorial trees where the proposed site is on land owned by the Parish Council. The Parish Council will not adopt or control trees planted on private land; in such cases the siting is entirely a matter for the donor and landowner.

It is recognized that the most popular location for memorial trees is around the perimeter of the Recreation Ground (Village Green). The Parish Council does not own the whole of the Green but does control what is planted on it and what is removed, by agreement with the Goodwood Estate.

Given the need to consider existing planting, and to prevent overcrowding, for the general well-being of all trees it will not always be feasible to allow planting on the Green, although opportunities may occasionally arise to replace dead or felled trees.

Other locations are possible e.g. Centurion Way and land adjacent to the Children's Play Area. These would need to be discussed with the Parish Council.

Terms and conditions

General

1. All applications for memorial benches/picnic-tables/trees should be made on the official request form and be signed by the donor.
2. The Parish Council will keep a record of donors and contact details, in accordance with Data Protection laws. It is the responsibility of the donor to update the Parish Council of any change to these details.

Benches/Picnic-tables

1. The Parish Council can install benches/picnic-tables following receipt of a contribution of £300 to cover the material cost of the installation, and future maintenance costs, from the Donor. The Donor will be responsible for purchasing the bench/picnic-table and any associated plaque or cost of inscription.
2. Benches should be of the type and colour approved by the Parish Council to be in keeping with the intended location. The Parish Council may limit the number of memorial benches/picnic-tables in particular areas.
3. The Parish Council reserves the right to remove any donated benches/picnic-tables which are, in the view of the Parish Council, beyond economical repair or no longer fit for purpose through age or damage. Regular inspections by the Parish Council or its officers shall be the final arbiters of such a decision to remove any item.
4. The Parish Council accepts no liability for damage to any memorial bench from vandals or third parties. The Council's standard of maintenance will be a requirement to keep the bench fit for purpose and clean.
5. The Parish Council accepts no replacement liability for the bench/picnic-table or plaque at the end of its useful life and will dispose of any such item, where possible returning the plaque to the donor/donor's family.

Any replacement of bench/picnic-table/plaque will be the responsibility of the original donor.

6. If a donated bench/picnic-table becomes damaged or unserviceable, it will be removed and the donor informed where possible. If the Parish Council can successfully claim for a replacement under the terms of its insurance, the item will be replaced at a cost to the donor commensurate with the insurance excess payable. Otherwise the original donor will be given the option to replace the items at their expense.
7. The Parish Council will not be liable for relocation of benches/picnic-tables should WSCC or any other authority or landowner decide to rescind their permission to allow the installation of such items on their property.

Trees

1. Trees should be appropriate to the setting and preference will be given to native long-living deciduous species e.g. oak, beech, lime, walnut and disease resistant elm. Ornamental species can be considered providing they bear fruit e.g. rowan.
2. The Parish Council can plant the tree and install a plaque on behalf of the donor, and subject to the plaque being of a size not exceeding 20cmW x 15cmH and sited to allow for ease of mowing. The donor will be responsible for purchasing the tree and any associated plaque and a contribution of £150 will be required to cover the cost of planting.
3. The Parish Council will regularly inspect and monitor the health of the tree after planting, and reserves the right to fell, or remove any diseased or damaged limbs as necessary for the health of trees and/or public safety. Regular inspections by the Parish Council and its specialist advisers will determine if the tree is safe and the Parish Council, or its officers, shall be the final arbiters of any decision in this regard.
4. The Parish Council accepts no replacement liability for the tree or plaque at the end of its natural life and will dispose of any such item, where possible returning the plaque to the donor/donor's family. The Parish Council will bear the cost of removal, any replacement of the tree and/or plaque will be the responsibility of the original donor.
